Shalom USYers,

As a member of Adath USY you are eligible to run for an Executive Board position. As an Executive Board member you will have the opportunity to continue to keep Adath USY a success by planning programs, working with CGB members, and creating new and exciting ideas for Adath USY, further developing your leadership skills, and much more.

Enclosed you will find a description of the nine elected leadership positions and the responsibilities and requirements of all Board members. Please read this carefully; serving on the Adath USY Executive Board is a large time commitment and you will be expected to attend at least 80% of the chapter USY programs and regional/MUSY programming. Also attend at least two Regional conventions (not including LTI), and be at all Board meetings! Not meeting these time requirements can result in being asked to resign from your board position.

If you are interested in running for a position on the Adath USY Chapter Executive Board, please talk to your parents about the commitment you are making -- their support is required before you can declare yourself a candidate for office.

Once you and your parents have come to an agreement about running for Chapter Board, please plan for you AND your parents to attend an informational meeting on:

**\*\*Monday, May 3 at 6:30-7:30pm, in the Adath Youth Lounge\*\***

At this meeting you will hear from current Board members, learn more about the time commitment and learn about the election process. This meeting is mandatory if you are considering running for a Board position. Bringing your parents is required. Throughout the week, after the parent meeting, you will sit down with the Youth Director and current President to discuss the position you are applying for and why you are running for that position.

Elections for Chapter Board will be held at CMT, which is scheduled for the weekend of May 21-23 at Herzl Camp in Webster, WI. All candidates will have the opportunity to participate in a candidates' question/answer forum prior to elections and will be allowed three minutes (5 for Presidential candidates) to speak. More information will be given at the mandatory meeting.

If you have any questions or cannot attend the meeting on May 3, please contact Elisabeth as soon as possible at 952-215-3910
